

# Background on *Climate Hustle* Host and Producers

---

**Marc Morano**

Marc Morano, host of *Climate Hustle*, is one of the highest profile voices of climate realism in the world today. He currently serves as executive editor and chief correspondent for CFACT's award-winning ClimateDepot.com, a news and information service he founded in 2009. He is a frequent guest on radio and television talk in the U.S. and internationally, including CNN, Fox News, the BBC, and Canada's Sun TV, and has been profiled in the New York Times, Esquire magazine, Rolling Stone, and numerous others. From 1992 to 1996, Morano served as a reporter for the nationally syndicated "Rush Limbaugh, the Television Show." He next served as an investigative reporter for Cybercast News Service and as a reporter and producer for the nationally syndicated television newsmagazine "American Investigator." In 2000, his investigative television documentary "Amazon Rainforest: Clear-Cutting the Myths" created an international firestorm. During his tenure as senior advisor, speechwriter, and climate researcher for U.S. Senator James Inhofe (R-OK), he managed the communication operations of the GOP side of the U.S. Senate Committee on Environment and Public Works. ---

**CFACT**

*Climate Hustle* is a production of "CFACT Presents." Executive producers David Rothbard and Craig Rucker serve respectively as president and executive director of CFACT, the Committee For A Constructive Tomorrow, a non-profit public policy organization based in Washington, D.C. they co-founded in 1985. CFACT focuses on promoting safe technological and market-oriented solutions to global issues of environment and development. CFACT is supported by an influential board of academic and scientific advisors from around the world; has an impressive "Collegians" educational program on U.S. college campuses; maintains an international "Adopt-a-Village" program; and has extensive media outreach through its award-winning Climate Depot news and information service and "Just the Facts" daily national radio commentary. CFACT is recognized as a tax-exempt, 501(c)(3) organization.
